MEMORANDUM FOR: Deputy Director of Central
Intelligence

FROM : Clifford D. May, Jr.
Director of Data Processing

SUBJECT : Participation in ODP Conference

Please accept my sincere appreciation for addressing ODP's first Office-wide Conference on Friday, 18 March. The Conference was an unqualified success and did much to boost the understanding and morale of my people. The candor and forthrightness you brought to the opening presentation set the tone for the Conference. Your experiences during the hectic days of transition were enlightening and refreshing for Data Processing personnel who are so preoccupied with keeping the computers running and getting the work out. Many of my people have pointed out to me how honored they felt that you found the time in your busy schedule to speak to us and share your views with us. Most of them had never seen you before. From my point of view, it was time well spent. Thanks again.
